Dear all,

We are residents of the Bel Air Ridge home owner's association (Address: [2693, Basil Lane](#)) and we have lived in this neighborhood for nearly 10 years. We think that the proposal to put gates on the streets by BAG (our neighboring community) is a bad idea for safety, traffic and access reasons and vehemently oppose it. Instead of repeating many of the powerful arguments made against this proposal by several people in our community, I am reiterating (and attaching) the letter written by our board of directors that summarizes the reasons for us being against this. Please consider this as our significant opposition to this gating idea.

We really hope that this proposal for gating is rejected.

Best wishes,

Suhas Diggavi and Christina Fragouli
