Dear Professor Sahai,

Bel Air-Beverly Crest Neighborhood Council has received your comment on the Bel Air Glen gating proposal and your input will be considered as we advise the City on this proposal.

If you would like to receive BABENC agendas and community updates, please click through the "Join our mailing list" in my signature block.

Sincerely,
Travis Longcore

Dear City Leaders,

I am a professor of Computer Science at UCLA who resides in the Beverly Glen area. I write to urge you to oppose the privatization of city streets through gating. This is not only terrible public policy, but it would

increase traffic in my neighborhood and likely increase crime as well. The streets belong to the city and should not be restricted by private gating.

Thank you,
Amit Sahai
