Message: Greetings. I'm a homeowner in the Bel Air Glen HOA, and am concerned about a proposed Vacation of Right-of-Way involving portions of Nicada Drive, Woodwardia Drive, and Angelo Drive. The Vacation has been proposed for the purpose of gating our HOA. I believe--as do a number of other members of our HOA--that such a proceeding would negatively affect not only our community but also neighboring ones in the area. In a letter dated July 20, 2021, and sent to residents of our HOA, the Permit Case Management Division of the City of Los Angeles's Bureau of Engineering announced that their office was undertaking an investigation of the proposal. They invited comment. (I and others have sent comments to them.) I don't know whether this is a matter your organization is aware of or would be interested in. Would you please let me know whether this is something of interest to you? If so, I would be happy to discuss it with you. You can view the proposal to vacate and gate the streets of our HOA by visiting <http://cityclerk.lacity.org/lacityclerkconnect> and by searching for "21-0735". Thank you for your attention. Sincerely, Timothy Steele 2732 Angelo Drive Los Angeles, CA 90077
