**Re: I Support the Bel Air Glen HOA Street Vacation and Gating Project (VAC-E1401394)**

Dear Mr. Travis Longcore:

I am writing to you to express my **strong support** for the Bel Air Glen Homeowners Association's application to vacate and gate Nicada Dr., Angelo Dr., and Woodwardia Dr. within the Bel Air Glen HOA community.

I live in the Bel Air Glen HOA community. Every weekday afternoon and evening for several hours, my neighborhood is bombarded with dangerous and congested traffic caused by commuters using our streets to try to shorten their drive at the expense of the health and safety of me, my family, friends, and neighbors. Each weekday during rush hour, I consistently cannot back out of driveway for long periods of time unless I force my way between angry drivers and risk them rear-ending me. I also find that, if I'm coming home from work or need to leave my house for any reason, it can take 20 minutes just to get out of our development! These commuters also, when presented the opportunity, speed up our streets, blow thru stop signs, take turns without looking or slowing down, and even swerve around other drivers into oncoming lanes in their rush to get back to Beverly Glen. They have no regard for pedestrians, children, pets, or anyone else that finds themselves in, or about to cross, the streets during this time. I have witnessed close calls and fear for the safety of my family and neighbors. These drivers have no business using our local neighborhood streets for this purpose, and I feel that gating our community is the only way to solve this problem.

For these reasons, I SUPPORT the Bel Air Glen Street vacation and gating project.

Sincerely,

Leslie Gallin
