Public speakers Katherine Gordon and Elizabeth Botsford spoke in opposition of the development projects at 2240, 2244, 2234 Stanley Hills Drive.

Steve Twining suggested they contact the neighbors in the area and invite them to attend the next meeting to address their issues.

CNC properties discussed from agenda.

Discussion of a motion to the Board to hire Slosson and Associates/Thomas Slosson for pilot project.

Michele Fleenor asked for clarification of amount to hire Mr. Slosson and what his position would be. Steve Twining indicated that the amount would be up to \$900 per project and Mr. Slosson would only read and interpret the geo tech soil reports and not render an opinion.

Discussion of a motion to the Board to request funds from the Santa Monica Mountains Open Space Preservation Assessment District I - Area B to be allocated to purchase land to create a public park and provide open space areas around Upper Stone Canyon Reservoir.

No action taken at the meeting.
