

ORDINANCE NO. _____

An ordinance amending Sections 19.00 through 19.10 of the Los Angeles Municipal Code to update fees for applications and appeals for planning approvals.

**THE PEOPLE OF THE CITY OF LOS ANGELES
DO ORDAIN AS FOLLOWS:**

Section 1. Sections 19.00 through 19.10 of Article 9, Chapter I of the Los Angeles Municipal Code are amended in their entirety to read as follows:

SEC. 19.00. FILING OF APPLICATIONS AND APPEALS.

A. Filing Date. An application or appeal shall be considered as filed whenever it has been completed in accordance with the applicable rules and regulations, has been submitted to the Department together with the required filing fees, and a receipt for the filing fees has been issued. If at any time during the processing of an application it is discovered that an application has been improperly prepared, or required pertinent information has not been submitted in accordance with the previously established rules and regulations, upon notification to the applicant by the appropriate officer or employee the time limits specified within this ordinance shall be suspended and not continue to run until the application has been rectified or the omitted information furnished in a proper manner.

B. Time Limit - Appeals. Notwithstanding any provisions of Articles 2, 3 or 4 of this chapter, whenever the final day for filing an appeal from any action, decision or determination of the Director of Planning, Zoning Administrator, Area Planning Commission or City Planning Commission falls on a Saturday, Sunday or legal holiday, the time for filing an appeal shall be extended to the close of business on the next succeeding working day, and the effective or final date of any action, decision or determination shall be extended to the close of that appeal period. No appeal shall be accepted or in any way considered as officially on file which is not presented in proper form and received within the appeal period specified by other sections of this chapter or the extended period specified above in this section.

If in any individual case involving a 15-day appeal period, that appeal period fails to include at least ten working days, then the appeal period shall be extended as many days as the Director of Planning, Zoning Administrator, Area Planning Commission, City Planning Commission or City Council determines are necessary to include ten working days.

C. Place of Filing. Whenever the provisions of Articles 2, 3 or 4 of this chapter provide that applications, requests or appeals be filed with the City Planning Commission, in the public office of the Department of City Planning, those applications, requests or appeals may be filed in any of the branch offices of the Department when

designated for this purpose by the City Planning Commission; that decision to be based upon considerations of need and available facilities.

D. Whenever the provisions of this chapter provide that an applicant shall post notice of a public hearing or meeting, the applicant shall file a declaration in the appropriate public office prior to the date of the noticed public hearing or meeting. In this declaration, the applicant shall declare, under penalty of perjury, that notice has been posted in accordance with the applicable provisions of this chapter.

The Director of Planning shall have the authority to adopt guidelines consistent with this ordinance for the posting of notices if the Director determines that guidelines are necessary and appropriate.

SEC. 19.01. FILING FEE - APPLICATIONS AND APPEALS.

Before accepting for filing any application or appeal involving any of the matters specified in this section, the Department of City Planning shall charge and collect for each application or appeal the following filing fees:

A. Establishment or Change of Zones, Height Districts or Supplemental Use Districts, and Other Related Actions.

The following fees shall be charged for a zone change, height district or supplemental use district when that action is consistent with the General Plan. (See Section 19.03 for zone change requests that are not consistent with the General Plan.)

Standard cases are defined as more than three signs, wireless cases, or projects with additions of less than 200 square feet.

Major cases are all other projects not falling into the categories of Minor or Standard projects.

H. Fees - Exceptions. The fees as provided for in this section shall be subject to the following exceptions:

1. The fees contained in this section shall apply to the City departments of Airports, Harbor, and Water and Power, but shall not apply to any other governmental agency.

2. No fee shall be required in connection with an application for variance from the minimum lot area requirements of an improved lot, or on appeal from a ruling on the variance application, where it is shown that the lot neither conformed with the minimum lot area requirements at the time of issuance of the original building permit nor constituted a nonconforming lot.

3. No fee shall be required in connection with an application, appeal, or approval of plans for a conditional use for a child-care facility or nursery school which is determined to be nonprofit, including, but not limited to, parent-cooperatives and facilities funded by a governmental agency or owned or operated by a philanthropic institution, church, or similar institution. A facility funded by a governmental agency shall indicate the principal current and anticipated source of funds. Where any uncertainty exists as to the nonprofit status of the facility, the applicant shall file a copy of the articles of incorporation or an affidavit, to the satisfaction of a Zoning Administrator, showing that the child-care facility will be nonprofit.

4. No fee shall be required in connection with an application, appeal or approval of plans for a conditional use or variance for a nonprofit counseling and referral facility.

5. At the discretion of the appropriate decision-maker, an applicant for any determination for which fees are required by this section may be allowed credit for the fees paid upon a reapplication for the same project under a different procedure when the decision-maker finds:

(a) That the applicant made a good-faith attempt to file the application properly; and

(b) That the application could be more appropriately approved if filed under a different procedure.

This subdivision shall not be construed to allow credit to be given at the applicant's option, nor to allow refunds of any fees paid on the original application.

6. No fee shall be required in connection with an initial application for continuation of a nonconforming use made pursuant to Section 12.24 X.27 of this Code.

7. Where an exception from a specific plan and a variance or conditional use or other similar quasi-judicial approval are both required for a project, the lower of the fees charged for the exception and variance, conditional use or other similar quasi-judicial approval shall be waived.

8. No fee shall be required in connection with an initial application for a site plan review for a project within a designated Enterprise Zone or Employment and Economic Incentive Zone.

9. In addition to the fees set forth in this article, the Department of City Planning may negotiate with an applicant for reimbursement of the actual costs associated with the City's processing of applications involving extraordinary projects which require unusually heavy commitments of department resources but not involving major projects as that term is defined in Los Angeles Administrative Code Section 5.400.

I. Transfer Plan.

Type of Application	Fee*
Approval of Transfer of Floor Area Plan - less than and including 49,999 square feet (Section Article 4.5)	\$16,090

P. Hillside. Application pursuant to Section 12.21 A.17 of this Code to permit increased Lot coverage, reduced parking or additional height for One-Family Dwellings on properties designated Hillside Area on the Department of City Planning Hillside Area Map (Section 12.24 X.11); and application to permit construction of or addition to One-Family Dwellings on properties designated Hillside Area on the Department of City Planning Hillside Area Map which front onto Substandard Hillside Limited Streets, which are improved to a width of less than 20 feet; and application to permit construction of, or addition to, One-Family Dwellings on properties designated Hillside Area on the Department of City Planning Hillside Area Map on Substandard Hillside Limited Streets where providing parking requires the Grading of 1,000 or more cubic yards from the Lot (Section 12.24 X.21).

Application pursuant to Section 12.21 C.10 and Section 12.24 X.28 on properties zoned R1, RS, RE, or RA and designated Hillside Area on the Department of City Planning Hillside Area Map to:

1. Reduce Front and Side Yard setback requirements;
2. Permit additions of up to 1,000 square feet to Structures existing prior to August 1, 2010;
3. Exceed the maximum envelope height;
4. Increase the maximum Lot coverage;
5. Exceed the Grading, import and export limits;
6. Reduce the number of required off-street parking; or
7. Permit construction of or addition to One-Family Dwellings on properties which front onto Substandard Hillside Limited Streets, which are improved to a width of less than 20 feet.

Type of Application	Fee
Hillside Permit Filing Fee (Section 12.24 X.21.)	\$5,660

Q. Multiple or Combination Applications. If more than one application is filed at the same time for the same project and the fee for each separate application is set forth in Sections 19.01, 19.03, 19.06 or 19.10, then the charges will be as follows: one hundred percent (100%) for the highest application fee, fifty percent (50%) for the second application (second highest fee), and twenty-five percent (25%) for each additional application fee.

R. Expedited Permit Fee. At the request of the applicant, the Department may, at its discretion, charge a fee to offset expenses for additional human and physical resources necessary to expedite the permit process for development projects upon application by an applicant. An initial deposit of up to \$8,500, in addition to fees charged elsewhere in this Code, by the Director of Planning, including any additional costs to the City that exceed the fees collected by the Planning Department for this service, shall be collected at the time of the request. The Department shall cause all money collected pursuant to this section to be deposited into the Planning Case Processing Fund described in Section 5.121.9.2 of Chapter 6, Division 5 of the Los Angeles Administrative Code for purposes of disbursement as permitted therein.

1. **Flood Hazard Compliance Check Fee.** Review to verify that a permitted project would or does comply with the requirements of the Los Angeles Specific Plan for the Management of Flood Hazards (Ordinance 172,081, as may be amended) and the National Flood Insurance Program.

2. **Elevation Certificate Processing Fee.** Process an Elevation Certificate for building permits located in floodplain zones, in compliance with the requirements of the Los Angeles Specific Plan for the Management of Flood Hazards (Ordinance 172,081, as may be amended) and the National Flood Insurance Program.

3. **Floodproofing Certificate Processing.** Process a Floodproofing Certificate for a commercial project or a non-single-family development proposed in a floodplain zone, in compliance with the requirements of the Los Angeles Specific Plan for the Management of Flood Hazards (Ordinance 172,081, as may be amended) and the National Flood Insurance Program.

4. **Letter of Map Change/Conditional Letter of Map Change Processing.** Process a Conditional Letter of Map Revision, Conditional Letter of Map Amendment, Letter of Map Revisions, or Letter of Map Amendment.

B. Reviews or Services Requiring Additional Staff Time of 16 or Fewer Hours. For all Bureau of Engineering services identified in Subsection A of this section

for which a fee of \$273 is charged, and which will require Bureau staff to review plans or surveys, or take other action in addition to that normally required to accomplish the task for which the \$273 fee is charged, the Bureau shall charge and collect a fee pursuant to the provisions of Section 61.14 of this Code, except for reviews or services provided pursuant to the provisions of Subsection C of this section.

C. Reviews or Services Requiring Additional Staff Time of More than 16 Hours. For all Bureau of Engineering services identified in Subsection A of this section for which a fee of \$273 is charged, and which will require Bureau staff to review plans or surveys, or take other action, and where Bureau staff will be required to provide more than 16 hours of staff time in addition to that normally required to accomplish the task for which the \$273 fee is charged, the Bureau shall charge and collect actual Bureau of Engineering costs and a deposit for such costs as determined and collected pursuant to the provisions of Section 61.15 of this Code.

D. All Fees Owed Prior to Bureau Action. The Bureau of Engineering shall not issue any approval or decision with respect to any matter for which this section requires payment to the Bureau until all monies owed pursuant to the provisions of this section are paid.

SEC. 19.08. SURCHARGE FOR DEVELOPMENT SERVICES CENTERS.

A. There shall be added to each fee imposed for any permit, license, or application provided for in this article, a surcharge in an amount equal to the greater of three percent (3%) of the fee or \$1.00.

B. The previous surcharge amount of two percent is increased solely to pay for the \$21.76 million cost of developing and implementing BuildLA, a comprehensive enterprise-wide development services system, and shall not be used to pay for ongoing BuildLA costs, such as maintenance or system hosting services.

C. The surcharge shall be returned to the greater of two percent or \$1.00 when the City Administrative Officer determines the surcharge increase has recovered the \$21.76 million cost of BuildLA.
