Subject: Protected Tree Removal Notification
To: <BABCNC@empowerla.org>
Cc: Joanne D'Antonio <trees@ncsa.la>

Dear Neighborhood Council: (our apologies for the delay)

We hope this email finds you well. We are forwarding the notification below from the [Urban Forestry Division \(UFD\)](#) about a tree removal permit the UFD has received. Your Neighborhood Council can weigh in on the removal of the tree.

If the removal is for 1 or 2 trees, the UFD provides a 3 day notice to the affected Council District, [the Community Forest Advisory Committee](#) and the affected Neighborhood Council. If no objections are raised within the 3 days, the tree(s) will be removed shortly thereafter. Please contact your City Council Office if your Neighborhood Council has any concerns about the tree(s) removal. The permit for this application is for City Council District 10 310.568.8772.

If the removal is for 3 or more trees, the UFD provides a 3 day notice to the affected Council District, the Board of Public Works, [the Community Forest Advisory Committee](#) and the affected Neighborhood Council. The UFD is also required to submit a report to the Board of Public Works for review, and the proposed removal must be posted for 30 days prior to removal in order to allow for public comment. In addition to contacting your City Council Office if your Neighborhood Council has any concerns about the trees removal, you will also be able to provide public comment with the Board of Public Works within the 30 days.

Please note that if your board has not taken official action on the tree(s) removal, board members can only speak in their individual capacity. For more information about the tree removal process, [click here for the information sheet](#) and [click here for the Tree Removal Permit Application](#). For a list of the proposed removals, [click here for the TreeRemoval Notification System](#).

If you have any questions about this tree removal application, please contact the UFD directly by calling 213-847-3077.

*Best Regards,
NC Support Team*
