Ms. Flora Margheritis
Airport Manager
Van Nuys Airport
16461 Sherman Way
Northridge, CA 91406

Dear Ms. Margheritis,

The Bel Air Hills Association fully supports a voluntary late night/early morning curfew at Van Nuys Airport from the hours of 10pm - 7am Monday - Friday, and 10pm - 9am Saturday and Sunday. A Voluntary Curfew at VNY Airport is needed to protect neighboring community's residents' health and safety, by allowing people to sleep at night without being woken up.

By promoting awareness of this health issue and through encouraging pilot and corporate behavior that respects others, we can also raise the consciousness of the value of being a good neighbor and Since it is voluntary, there is no downside to businesses. This voluntary curfew excludes emergency services when they are flying for emergency reasons.

We thank you for your efforts to decrease the interruptions to the sleep of tens of thousands of people who are currently experiencing so much disruption from the late night/early morning flights coming from the Van Nuys Airport.

Sincerely,

Wendy Morris
