SECTION II - PROJECT DESCRIPTION

4) Please describe the purpose and intent of the grant.

The purposes of the grant is to pay for annual brush clearance services for three parcels owned by the Laurel Canyon Land Trust. The Land Trust is a non-profit501(c)(3) organization whose mission is to accept donations of open space, purchase open space and educate the public as to the value of these lands. Currently, the Laurel Canyon Land Trust owns three parcels in Laurel Canyon within the boundaries of the Bel-Air Beverly Crest Neighborhood Council. None of the parcels are fenced and they are publicly accessible. Because the lands are located within the City's Very High Fire Hazard Severity Zone, brush clearance is required by the Los Angeles Fire Department on an annual basis. More information regarding this requirement can be found at https://www.lafd.org/fire-prevention/brush.

5) How will this grant be used to primarily support or serve a public purpose and benefit the public at-large. (Grants cannot be used as rewards or prizes for individuals)

According to the Los Angeles Fire Department, brush fires threaten life and property. As a result, the City of Los Angeles established the Very High Fire Hazard Severity Zone in 1999. LAFD now provides a thorough and comprehensive brush program in order to protect lives and property for those who live and enjoy the hillside communities within the City of Los Angeles. The grant funds will support and serve a public purpose (and benefit the public at large) by reducing the fire risk both within the Very High Fire Hazard Severity Zone and within the Bel-Air Beverly Crest Neighborhood Council. LAFD states that "public safety can be significantly increased with proper brush clearance." LAFD maintains a brush clearance contractors list and the Laurel Canyon Land Trust expects to use a contractor from this list. See lafd.org/fire-prevention/brush/clearance-contractor-list. No trees will removed during the brush clearance process.

Finally, the Land Trust normally engages in fundraising to pay for this annual maintenance activity. However, the COVID-19 pandemic put a huge damper on fundraising due to the disruption to the local economy.

Dear Applicant:

We're pleased to tell you we determined you're exempt from federal income tax under Internal Revenue Code (IRC) Section 501(c)(3). Donors can deduct contributions they make to you under IRC Section 170. You're also qualified to receive tax deductible bequests, devises, transfers or gifts under Section 2055, 2106, or 2522. This letter could help resolve questions on your exempt status. Please keep it for your records.

SECTION II - PROJECT DESCRIPTION

4) Please describe the purpose and intent of the grant.

COVID-19 CRITICAL NEED SERVICES

Parents, Educators/Teachers & Students in Action (PESA) as the community based organization (CBO) of the Los Angeles Superior Court Teen Court program (see letter from Judge Wesley attached) receives referrals of diverted youth from the Los Angeles Police Department, as part of their juvenile arrest diversion program as well as referrals from the Los Angeles County District Attorney Office.

PESA has partnered with the Museum of Tolerance to address issues of racism and hatred caused by the COVID-19 pandemic, as part of the SHADES program of Teen Court. These issues will be addressed by online seminars and through the COVID-19 HERO project created by PESA. The COVID-19 HERO project is composed of the youth being educated on the value of not making offensive racial remarks concerning what race could have caused the COVID-19 pandemic. In addition the COVID-19 HERO series educate the youth about the COVID-19 virus and what they can do to prevent the spread of it, giving them the opportunity to being a COVID-19 HERO by writing a letter describing how they are a COVID-19 HERO and receiving a certificate of being a COVID-19 HERO.

5) How will this grant be used to primarily support or serve a public purpose and benefit the public at-large. (Grants cannot be used as rewards or prizes for individuals)

This grant will address a critical public purpose that will benefit the public at large, reducing the issues of hate and racism stemming from the COVID-19 pandemic and educating the youth about COVID-19 and why they need to comply with the social distancing orders. As the social distancing rules are modified the COVID-19 HERO series will be modified to reflect these changes.

It is important to make sure our youth are educated as to why they have to follow the instructions of their parents and their teachers concerning social distancing. It is important to start educating them on this now. So that when schools are reopened they will be willing to cooperate with their teachers concerning social distancing instructions. In addition the issues of hate and racism have already been reported as a result of COVID-19, these issues will only be exacerbated when schools open up again. By educating the youth now and being able to continue that education when they go back to school the issue will be addressed. In person presentations will be created to be presented in the schools when they open up again in compliance with social distancing orders.

THIS PROJECT HAS BEEN MADE A RESOURCE TOOL TO ALL OF THE SCHOOLS IN THE COUNTY OF LOS ANGELES THROUGH THE LOS ANGELES COUNTY BOARD OF EDUCATION (LACOE).

Thus with the funding from this grant PESA will make sure that the residents and the schools in Bel Air-Beverly Crest Neighborhood Council benefit from this project. Bel Air-Beverly Crest Neighborhood Council will receive recognition on all materials and items published in connection with this project.

To Whom It May Concern:

I am the Director of the Los Angeles Superior Court Teen Court program (hereinafter referred to as "LASC Teen Court Program"). Parents, Educators/Teachers & Students in Action (hereinafter referred to as "PESA") is a non-profit, that has been designated as the Community Based Organization for the LASC Teen Court program through a Memorandum of Understanding executed by the Superior Court and PESA (hereinafter referred to as "MOU"), a true and correct copy of the MOU is attached to this letter and incorporated herein by reference.

One of the purposes of the MOU is to designate PESA as the entity that can receive funds for the LASC Teen Court program. That is why the following language was included in the MOU:

6. Any monies received by PESA designated for use in the Teen Court, SHADES or CAYC programs cannot be used for any other program, and a categorized budget designating how monies will be spent must be submitted by PESA prior to any expenditures of the designated monies and be approved by the Judicial Director of the Program or his designee. The Judicial Director of the Program or his designee will have the right to conduct an audit concerning the expenditure of the monies.

PESA has received monies in the past from both private and public entities, such as the County of Los Angeles, for this purpose.

As such if the entity you represent has been authorized or desires to provide support to the LASC Teen Court program I would appreciate you transmitting the funds to PESA, and in compliance with the MOU, it will be used for and budgeted for use for the LASC Teen Court Program. Thank you for your support, if you have any questions or comments, please do not hesitate to contact me.
