We can have the League of WV at approximately \$150 or we could do it ourselves if we choose. She noted that Member Miner had provided questions for yesterday’s forum. Committee discussed whether to hear from all candidates and whether to have questions related to only hillside issues.

7. **Discussion re: Upcoming Newsletter:** Member Stojka shared ideas for the newsletter including but not limited to Beverly Glen gating which will be heard at PLUC tomorrow, a story on composting, and a story on the hotel. Member Mann related that there is a PLUM hearing February 1st on the hotel and she has an article for this.

Other stories would be on CD5 candidates and the electoral process & time frame, an article on Covid testing sites including a new one on Sepulveda, and a history piece called “The Undertaker at the Murder Capital of the US.” Member Stojka will collect stories, put them on Mailchimp and we will meet on Monday 12:00 pm to go over it together.
