Dear Bel Air Beverly Crest Neighborhood Council
President Longcore:

I have been a resident for more than 35 years in Bel Air Ridge HOA ("BAR") on Angelo Drive. I am writing

to strongly object to the attempt by a small number of Bel Air Glen HOA ("BAG") residents to privatize our streets for their personal use.

BAR residents strongly object to this proposal. I don't know whether BAG members (other than a few activists) even understand or want this gating. To my knowledge a majority of BAG residents have never approved this idea by secret ballot. I do know that certain activist members of BAG have grossly misrepresented the effect of the proposal and the continuing costs of privatizing the streets.

While I'm opposed to the entire idea, I am most opposed to the attempt to gate Angelo, a street that was been public for longer than the 35 years I have lived here. It is a major artery for our ingress and egress, not to mention our friends who visit, gardeners and other service people, Uber/Lyft/taxi drivers, etc.

I will not duplicate the excellent correspondence from others. I have been advised that a few BAG activists have been trying to steal these public streets for more than ten years. These few have spent a fortune of BAG's money (not their own) for high priced lawyers, consultants and more. I don't have any information on political donations.

We will be out of town on the 22nd and thus cannot attend the full council meeting. Perhaps BAG's

choice of dates is to discourage people from attending.

This illegal process should not have proceeded this far. As the song says don't fence me in—or out!
