Mr. Koretz & Neighborhood Council,

We strongly oppose the proposed gating project in Bel Air Glen, #VACE1401394, as it will severely limit the ingress and egress of our community, Bel Air Ridge. We are concerned specifically about the hazards and congestion a gate in the proposed location would cause. Delivery trucks and other visitors to Bel Air Glen idling and potentially turning around in driveways would create hazards to the many children and families that walk there. We also lose access to the traffic light on Nicada which allows a much easier left hand turn onto Beverly Glen than doing so from Briarwood Dr. A backup of cars trying to make a left onto Beverly Glen from Briarwood Dr. would also make turning right more time consuming. We ask that you look for less intrusive alternatives such as a "no turn" sign off of Beverly Glen onto Nicada, Briarwood and Angelo during rush hour or placing the gate on the Briarwood Dr. entrance. Our lifestyle, safety and property value would be directly affected by this decision.

Please vote against this project.

Thank you,

Dan & Tammy Haney
