Dear City Council,

I am the owner of [10235 Autumn Leaf Circle](#) in Bel Air Glen. This letter is in support of Bel Air Glen Street Vacation Request. I have two children who walk home from the bus stop each day after school and I'm very concerned for their safety as we have drivers from outside our community cutting through our neighborhood during traffic hour in the afternoons. These drivers often speed, disregard the stop signs and make turns without looking at what is in front of them. I have witnessed scary situations where pedestrians have almost been hit and I have no doubt this can be prevented in the future if we close off our streets.

The streets of Bel Air Glen are unique in that they are narrow, especially the street I live on, Autumn Leaf Circle, which is one the streets often used as a cut through. Needless to say it's very scary when we see cars zooming through 30-40 miles per hour in the afternoons.

Please, consider approving the privatization of our streets. **Your role in this decision is beyond important as the Bel Air Glen families' lives depend on it.**

Thank you for reading my letter. I appreciate your consideration and support. Please, don't hesitate to reach out if you have any questions or would like to discuss further.

Sincerely,  
Lorena Costino
