Dear Bill,

Thank you for your input on this issue. The Board will consider your questions as it advises the City on this issue.

Best regards,  
Travis

As a long time activist and resident of Bel Air Ridge, I believe the BAG gating proposal as currently configured will negatively affect Bel Air Ridge. There is no accommodation for BAR residents' use of BAR facilities on Angelo Drive. From what I understand only Angelo residents will be granted gate access. Wonder how deliveries will be affected. Should an emergency occur, how will emergency equipment access?

Thank you for your consideration.
