3. General Public Comment Jarrett Thompson, Councilmember Paul Koretz’s Representative from CD5 said hello and was here to listen.

4. Discussion & Possible Motion regarding Traffic Calming Plan for Beverly Glen

Committee member Graham Green has presented traffic calming concept plans for Beverly Glen Boulevard that involve center medians and lane shifting to result in slower traffic flows.

Motion: That BABCNC thank the City of Los Angeles for supporting the medians and parklets project and move forward on the project moved by Greenberg & Templeton; **passed** – Will add Graham Green’s slide presentation to the upcoming board meeting.

Of note:

- DOT approved all 9 locations today
- It is suggested that Graham Green knock on doors as a part of community outreach and verify that the neighbor knows that if the home is located on a red zone, it could become a parklet
