Re: BEL AIR GLEN "GATING" PROJECT

Gentlemen,

I am a resident of the adjacent Bel Air Ridge Homeowners Association ("BAR")

I am sending this correspondence to convey my opposition, in the strongest manner possible, to the vacation of public right of way ("gating") proposed by Bel Air Glen Homeowners Association ("BAG").

As you know, there has been a litany of vociferous opposition from BAR residents, and the reasons for the opposition has been made clear in several forums.

For all those reasons, we ask you not to approve the project.

Sincerely,
Dr. Uzy Blachman
