Begin Discussion and recommendations –
Possible Motion - decide whether to recommend approving or amending Council person Koretz' Animal Treatment at City Shelters Motion of August 16, 2022 (CF 22-0943) (**Attachment B**) (This was not voted upon during the Board meeting on August 24th, but was postponed until our next Board meeting.)
6. **Discuss the feasibility of having a BABCNC Community Fair/Open House, with an emphasis on Wildlife and Environmental Issues –**
Elections are coming up in the spring, the numbers for Covid are finally coming down, and we just went through 2 major issues that brought a lot of attention from stakeholders - The Wildlife Ordinance and the Bel Air Glen Gating project. We often hear that people are unaware of who we are and what we do and I believe this would be a good time to have a community gathering that allows us to disseminate some important information about our hillsides while doing some PR about the BABCNC.
Possible Motion - to approve looking into the feasibility of having an Open House before the elections.
