4. Chair Report: It was noted that President Longcore asked that as many members of our Outreach Committee as are able attend the training, under item #5, to start thinking how these policies affect our operations. Longcore had also suggested that the standing agenda item recommended by DONE would be better on the Outreach agenda as a standing item and then only brought to the Board when necessary. He has signed up for one of the training sessions and noted that it would make his job easier if as many of us as are able make time to attend as well.
