**Hello Robert,**

We have discussed with our team and we can share with you the full presentation we provided to the MDRB.

Please note it's a very large file and we've split it into 2 files to make it easier to download.

[LINK 1 - PART 1](#)

[LINK 2 - PART 2](#)

Please also note, the MDRB has yet to release any of their formal comments for this and so we've yet to incorporate design suggestions or comments from that meeting - you'll be looking at the same presentation provided to the MDRB.

We are considering new comments and are open to hearing the concerns of the neighborhood council.

Please put us down for the meeting on Tuesday evening.
