

**ATTACHMENT C  
AD HOC COMMITTEE ON LADBS POLICIES  
Meeting on February 1, 2023**

**PROPOSED MISSION STATEMENT**

- To address inconsistencies and to minimize discretion in code interpretation by LADBS**
- To improve communication between various City departments participating in project review**
- To obtain code interpretations and clarifications where the codes are vague or misinterpreted**
- To create a reliable and transparent communication channel between our committee and LADBS to address what we see as procedural deficiencies and to suggest possible improvements**
- To advocate for legislative solutions to the above-mentioned issues.**
