- **Discussion & Possible Motion:** To approve an election expenditure for four lawn signs to put up on or before Election Day, some pointing to polling site, not to exceed \$150.00 by Crisp Imaging. Estimate will be posted to the website. - **Discussed** outreach efforts for the upcoming NC Election, including but not limited posting election notice on Nextdoor every couple of days. Questioned if there is a need to have our own Nextdoor account; noted need to communicate with HOAs and ask them to send something out.
- **Discussed** planning the Open House; lack of responses from Committee chairs. Discussed space at TreePeople, outdoor and conference center areas, noting need to decide how many tables we'll need, how many people we ask to provide displays, and how much time each person will need for presentations. Discussed presentations, e.g., wildlife display, having Fire, Police, Emergency Management reps, Tree People reps on composting, spring planting, native planting, vegetable garden tips, need to tie topics into the committees, e.g., Metro, Bureau of Street Services *or* LADOT for Traffic, someone from Bureau of Street Services, LA Sanitation about recycling, etc.
- **Discussion** was held on items for the March newsletter. **Meeting adjourned at 12:55 pm.**
