> Dear Councilwoman Yaroslavsky and Members of the Bel Air Beverly Crest Neighborhood Council:

> I am a resident of Casiano Rd.LA,CA. The same street as the AJU campus. I share the community's concerns regarding fire safety, security, smoking, and traffic that have recently come to my attention. As a stakeholder in the outcome of the permit process, I oppose EF's proposal to house 700 and enroll 900-1,200 international students ages 13-26 on the campus. This would be an unacceptable intensification of use and potentially dangerous to my family in the event of an emergency. I would support a local educational or religious use of the property that complies with the existing permit limits of 200 residents and 500 total students. Consider another school right opposite to AJU(Steven Wise),it is extremely difficult to drive in and out of Casiano Rd.
