What is the mission of Education First. Is this a group that is trying to eliminate the indoctrination imposed by CRT, DEI and LGBTQ ideologues and return to the teaching of reading, writing, arithmetic, history, science, etc.

Dear BABCNC Stakeholders & Friends,

This Tuesday afternoon, the BABCNC is having a Special Planning & Land Use Committee meeting to consider the Education First project at the AJU campus at [15600 Mulholland Drive](#) (following up the April 11th PLU meeting). We will learn about Education First's updated plans, take public comment, and potentially make a recommendation on the project to the BABCNC Board.

This is an in-person meeting for all committee members at TreePeople in Coldwater Canyon Park.

***All stakeholders and visitors are welcome to attend in person or listen and give public comment via Zoom.*** See below for details.

All BABCNC meetings are open to the public and provide opportunity for public input. Here are the details to join this Special meeting:
