Attachment "D"

Dear Supporters,

Please submit a [pre-written comment](#) to USDOT opposing new "flying taxis". These are also known as Advanced Air Mobility (AAM) or Urban Air Mobility (UAM).

Please [CLICK HERE](#) for the instructions and comment text. Please enter your name and city/state/zip -- many entries from our area will carry more weight.

Thank you.

**PLEASE COMMENT BY NEXT WEDNESDAY!
IT WILL ONLY TAKE 2 MINUTES!**

It is time for everyone to GET LOUD and TAKE ACTION. We must express public outrage if there is any chance to stop flying taxis. People on the ground must be protected!

FAA/DOT has released an [AAM Federal Register Request for Comments \(Portal\)](#). **The deadline to submit comments is August 16, 2023.** (Note: please ignore the portal's stated deadline of 7/17/23 because it has been extended to August 16, 2023).

Please comment immediately with our easy copy/paste comment and be sure to copy and paste the entire suggested comment (ends with "CONCLUSION" section).

AAM "flying taxis" are currently performing test flights, as shown above. This new transportation modality will further congest our airspace, at extremely low altitudes, and will be stacked below jets, helicopters, and other aircraft. Negative impacts include noise, safety, air quality, and loss of privacy.

ACT NOW (BY NEXT WEDNESDAY, 8/16) OR IT WILL BE TOO LATE!

The only way to fight AAM is with massive public outcry! The FAA and
