CPC-2025-3449-CU3-SPPC-DRB-MSP ENV-2025-3450-CE

Dear Members of the BABCNC,

As we all know, Casiano Road is a constrained, single-access corridor. Recent fire disasters in California, including the Paradise fire, highlight the consequences of underestimating evacuation and emergency access in areas with limited routes.

Additional time is needed to properly review, evaluate, and meaningfully comment on submitted information.

Other schools in communities have agreements with the local communities. Milken should be held to the same standards as other private schools such as Mirman, Milken's existing campus, and Curtis, as well as Archer, Brentwood Schools, Campbell Hall, and Buckley.

For these reasons, I respectfully ask the BABCNC to postpone the vote on the CUP amendment.

Thank you for your time and for your dedication to Bel Air.

Respectfully,

Ben Hakakha  
13-year Bel Air Park Resident
