

To Whom It May Concern,

My name is Jackie Len and I live at 2580 Greenvally Road, approximately 2 blocks from the Mulholland Tennis Club. I am writing to express my support for the Mulholland Tennis Club and its proposed updates.

My children have attended summer camp at the Mulholland Tennis Club, and through that experience, I have seen firsthand how positive and welcoming the club is to local families. Even for those who are not members, the club opens its doors to neighborhood children and provides a safe, well-run, and enriching environment. This speaks volumes about the club's commitment to the community. We didn't know about the club when we moved to the neighborhood over five years ago and it has been an incredible gift to have it so nearby all these years.

In all of my experience with the club, I have never encountered issues related to noise, disturbances, traffic, or other negative impacts. The club has consistently operated in a respectful and responsible manner. I have been so impressed by how much care they take in making sure that they are being respectful neighbors.

The Mulholland Tennis Club has been a positive addition to the neighborhood and a valuable community resource for families. Based on my experience, I fully support the club and its continued efforts to improve its facilities while remaining a good neighbor. I know that any update they make is going to be a benefit to the entire community.

Sincerely,  
Jackie Len
