

To Whom It May Concern,

My name is Ani Yemenidjian, and I live at 8262 Skyline Drive in Los Angeles, within walking distance of the Mulholland Tennis Club. Because of my close proximity, I experience the club as a direct neighbor on a daily basis.

I am writing to express my full support for the Mulholland Tennis Club and its proposed updates, including the outdoor service station. During the time I have lived nearby, I have never experienced any disturbances related to noise, traffic, parking, or late-night activity. The club has consistently operated in a responsible and respectful manner and has never negatively impacted our neighborhood.

Beyond being a good neighbor, the Mulholland Tennis Club has been a meaningful asset to our community. As a parent, I have seen how the club welcomes families and children through its programs and summer camps, creating a safe, positive environment that extends beyond its membership. The club clearly cares about the surrounding neighborhood and the families who live here.

Based on my firsthand experience living within walking distance of the club, I believe it has earned its reputation as a thoughtful, community-minded organization. I support the Mulholland Tennis Club and its efforts to continue improving its facilities while maintaining its strong record as a respectful neighbor.

Sincerely,

Ani Yemenidjian
