

To Whom It May Concern,

My name is Nora Mansour, and I live at 8277 Skyline Drive in Los Angeles. I have lived here for the past four years, and from my front door I can see the Mulholland Tennis Club clearly. Because of this proximity, I experience the club as a direct neighbor on a daily basis.

During the entire time I have lived here, I have never experienced any disturbances related to the club. I have not had issues with noise, traffic, parking, lighting, or late-night activity. The club has consistently operated in a respectful and responsible manner, and it has not disrupted the quiet enjoyment of my home or the surrounding neighborhood.

Although I am not a member of the club, I have still experienced its positive impact firsthand. The Mulholland Tennis Club has opened its doors to my children during the summer months by offering summer camp programs. This willingness to welcome neighborhood children, regardless of membership status, speaks to the club's genuine care for the local community and its families.

I am writing to express my support for the Mulholland Tennis Club and its continued operation and improvements. Based on my experience living so close to the club, I believe it is a thoughtful, community-minded organization that understands and respects its role within a residential neighborhood.

Having a well-managed recreational space nearby has been a positive presence on our street, and I consider the Mulholland Tennis Club to [be](#) an asset to the neighborhood.

Sincerely,

Nora Mansour
