To whom it may concern,

I live at 8407 Skyline Drive, directly across the street from the Mulholland Tennis Club. We live so close to the club that we can actually see into the dining room from our bedroom window! The spill over parking lot for the club is right up against the back of our home.

We have been thrilled to have the club so close by, and joined as members earlier this year. The staff at the club is courteous, friendly and responsible, and we have found the board and members to be incredibly lovely and welcoming to us and to our children.

We have never once had an issue with noise, spillover parking or any type of disturbance or negative experience by being close to the club. We find it to be a wonderful asset to our neighborhood and community.

We are excited about the new construction plans, and look forward to continuing to support the board in their efforts to make the club as beautiful, efficient, safe and comfortable as possible.

Many thanks,

Jessica Hendricks Yee
