

To Whom It May Concern,

My name is Mary Bell, and I live very close to the Mulholland Tennis Club—approximately 700 feet from the club—so I experience it as a direct neighbor and part of my everyday surroundings.

I am writing to express my support for the Mulholland Tennis Club and its proposed improvements. From my experience living nearby, the club has been a considerate and well-run presence in the neighborhood. Noise levels have always been consistent with what one would reasonably expect from a recreational facility and have never felt excessive or disruptive.

The club has long been a positive asset to the community, offering a welcoming recreational space while remaining mindful of nearby residents. Its operations reflect an ongoing effort to balance activity with respect for the surrounding homes.

I believe the proposed improvements will further enhance the club and strengthen its value to both members and neighbors. For these reasons, I fully support the Mulholland Tennis Club's plans and its continued commitment to being a good community partner.

Sincerely,

Mary Bell
