Re: Restriction on Parking on Mulholland Drive Between Beverly Glen and Nicada Drive

Dear Councilmembers Raman and Yaroslavsky:

I write regarding an issue of safety along Mulholland Drive where it forms a border between your districts between Beverly Glen and Nicada Drive. BABCNC has become aware of and heard testimony regarding extensive visitor parking along Mulholland Drive in this location, on the vegetation within the right of way of this scenic highway. As we understand the situation from testimony, this unimproved shoulder is serving as a de facto parking lot for employees of and visitors to an addiction treatment facility in the vicinity.

At its September 25, 2025 meeting, the Board of BABCNC voted 20 for, 1 against, and 1 abstaining to request that, consistent with the design standards for Mulholland Drive, No Parking signs be installed on Mulholland between Beverly Glen and Nicada.

Please consider this request in the interest of public safety (fire risk from vehicles parked on dry grass and weeds) as well as public enjoyment of a designated scenic highway.

Sincerely,
Travis Longcore, Ph.D.
