The Honorable City Council

Page 2

At its meeting of February 14, 2017, the Planning and Land Use Management (PLUM) Committee of the Los Angeles City Council requested that this Office transmit a single ordinance that consolidates the two ordinances, as portions of each amend the same LAMC sections.

This Office has prepared and now transmits for your consideration the enclosed revised draft ordinance, approved as to form and legality, which consolidates the Baseline Hillside Ordinance/Baseline Mansionization Ordinance and the R1 Variation Zones Ordinance as requested by the PLUM Committee. This consolidated ordinance integrates into a single ordinance the versions of Baseline Hillside Ordinance/Baseline Mansionization Ordinance and R1 Variation Zones Ordinance that were recommended by the PLUM Committee for the City Council's approval. It also includes technical corrections and clarifications to language requested by the Department of Building and Safety pursuant to Council Rule 38. Finally, this ordinance includes recitals that state the Council's intention to replace the interim control ordinances that were adopted in 2015 and 2016 (Ordinances Nos. 183,496, 183,497 and 184,381).

Council Rule 38 Referral

A copy of the draft ordinance was sent, pursuant to Council Rule 38, to the Department of Building and Safety. The department was requested to report its comments, if any, directly to the City Council or its Committee when this matter is considered.

If you have any questions regarding this matter, please contact Deputy City Attorney Adrienne Khorasanee at (213) 978-8246. She or another member of this Office will be present when you consider this matter to answer any questions you may have.

Very truly yours,

MICHAEL N. FEUER, City Attorney
