RE: Support Councilmember Paul Koretz's Effort to Mitigate Climate Crisis  
Council File #20-0482 and Budget Council File #20-0600

Honorable Mayor Garcetti:

I, the undersigned, Robin Greenberg, am the President of the Bel Air-Beverly Crest Neighborhood Council (BABCNC), and I support Councilmember Koretz's position is that it is vital for the well-being of all Angelenos that the city continue to accelerate its efforts to transition to cleaner operations and carbon free fuels and products to reduce greenhouse gas emissions and to increase resilience.

His motion asks that the City Council direct the Emergency Management Department to include in its list of essential emergency City services which shall continue during the COVID-19 crisis all efforts consistent with City policy to reduce greenhouse gas and toxic emissions, including but not limited to, building renewable energy projects, electrifying our buildings and transportation network, enforcing the reduction of plastic pollution, planting trees, protecting wildlife habitat connectivity, recycling and reducing food and other waste, expanding clean mobility alternatives, and other such efforts.

On May 1st the BABCNC learned of the Special Budget and Finance Committee meeting scheduled for Monday May 11<sup>th</sup> to address the Los Angeles Emergency Budget. Until the time of our upcoming board meeting, on May 22<sup>nd</sup>, I am writing on behalf of myself, and anticipate a Board resolution reflecting board vote following said meeting.

Thank you.
