- 3. Motion: Approve the March 4, 2021 Meeting Minutes**
- 4. Public Comments:** on non-agendized items within the jurisdiction of this committee
- 5. Discussion:** Reports on ongoing efforts and research (Stella Grey – how to report permits that shall expire)
- 6. Discussion and Possible Motion:** Many hillside substandard streets are erroneously identified by BOE as being 20 ft wide. Actual width of these streets varies but is often less than 20 ft. Unless the street width is verified, many projects will fail to obtain required discretionary approvals. **We propose the following:** 1 - Permit applicants shall be required to pay for simple investigation by BOE to verify hillside street width. 2 - BOE corrects erroneous data currently available on Hillside Referral forms. 3 – With support from CD4 and CD5 we shall petition BOE/CA office to implement corrections.
- 7. Adjournment. Next Meeting Date: May 5, 2021**
