None.

 - Stella: Requested to continue action items from the last meeting. Reported on progress with the street width issue. Emailed LADBS an inquiry re fines.
 - No other updates
6. **Discussion and possible motion:** Stephanie presented her findings of inconsistent fee applications for projects:
 - Affordable housing linkage fee
 - School district fees
 - Grading bonds
 - Park and recreation
 - Action: start with the most impactful fee; collect examples; approach the City Controller or an investigative reporter.
 - School district fees are the most impactful and the records are easy to find
 - Affordable housing linkage fee is #2
 - Bobby: illegal construction fails to pay any fees; LADBS fails to enforce even after its been reported
7. **Discussion and possible motion:**
 - Stella: Haul routes approval better fits expertise of the Department of Public Works.

- Stephanie: There are more aspects of haul routes approval and enforcement process and that already are under BSS and DOT.
- Bob: Agrees with the idea but finds it aggressive.
- Stella: It may be possible to achieve more coordination between the agencies if haul routes move to DPW.
- Stella to start a letter to justify the proposed move.
