

CD4 Nithya Raman – Mehmet Berker Update 3/23/2022

Staffing Changes

- Hired Geoff Thompson as our Deputy Chief of Staff

- Helene has moved to be our Special Projects Deputy, leading our efforts to secure locations for permanent supportive housing and temporary housing, and other housing

1830 Blue Heights

- Hearing was on 3/22
- Mashael wrote in to the ZA on the location
 - Concerned about the access for Blue Heights
 - We need a thorough enviro review
 - No short term

2123 Groveland

- The permits were expired due to DBS looking into the permit date and determining it was begun before the toll order, so the requisite amount of time has passed

Rental Registry – CF-22-0277

- We introduced a motion on March 9th to amend our LAHD contract for the rental registry to include a better portal for tenants and landlords

District Updates on Homelessness

- So far we have housed around 300 people

Mulholland from Laurel Canyon to Wrightwood

- BSS is telling me May for this, so I am checking in later this week or next week to try and get a firmer date
