## Sunset Plaza Drive Pipeline Project December 2, 2020 – Project Update

### Project Description

The Los Angeles Department of Water and Power is currently replacing 1.2 miles of water pipeline along Sunset Plaza Drive. The pipeline project is scheduled from May 2020 to May 2021. As an essential services provider, LADWP is working to ensure water service reliability during the COVID-19 response while practicing recommended health and safety measures to protect our employees and the public.

### Construction Update

LADWP Crews will be completing the water main installing on Viewsite Drive by December 4, 2020.

Residents who live along Viewsite Dr. will need to park outside of the work area as parking will be restricted.

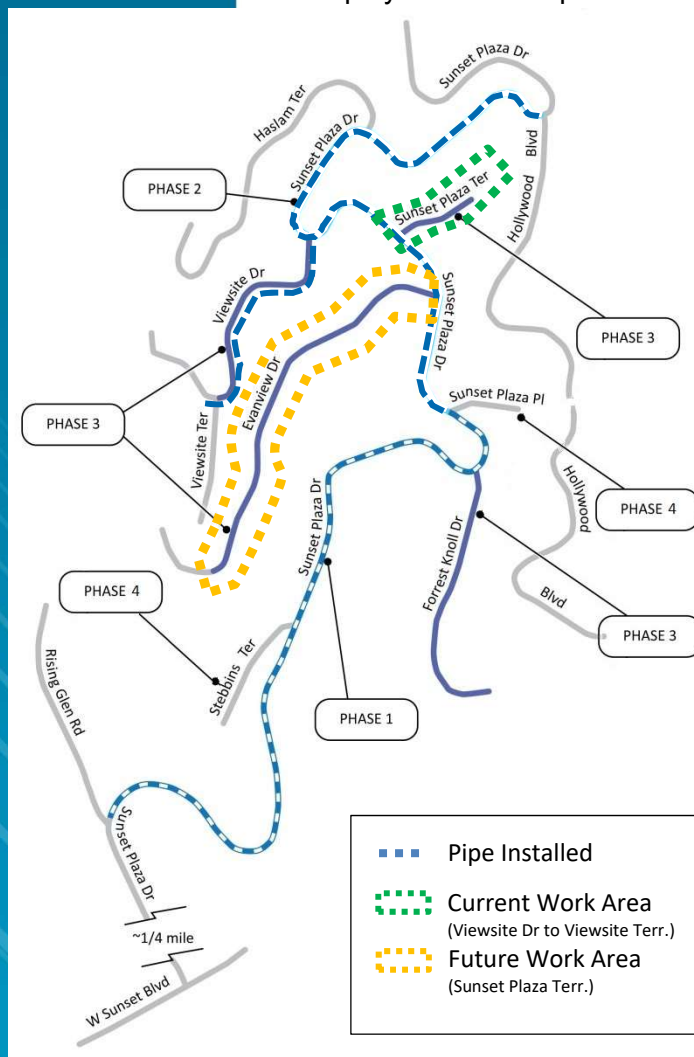

Work on Sunset Plaza Terrence should start on December 3, 2020. Residents who live along Sunset Plaza Terrence will need to park outside of the work area as parking will be restricted.

Stebbins Terrence and Sunset Plaza Place will be added to this project as a phase 4. This phase is currently in the design process.

In the event of leak please dial 1-800-DIAL-DWP to report.

Phase 1: **COMPLETE**  
Phase 2: **COMPLETE**  
Phase 3: Nov 2020 – May 2021  
Phase 4: In-Design

**Road Closure and Parking**  
Construction will require road closures at each section during work hours. LADWP crews will work in manageable sections that can be covered at the end of each work day to open the road to traffic. There is no parking allowed within the current work area. Service connections will limit parking and access.
