# Project History

- Trunk line originally installed in the 1930's
- Originally was scheduled to be included in a future project, but due to a leak in December 2019, this section has been prioritized

# Project Objectives

- Replace aging pipe
- Improve reliability
- Minimize community disruptions

# Project Description

- **Replace existing pipe in place with new pipe**
  - 550-foot section
  - 36-inch diameter
  - Welded steel pipe

# Preliminary Traffic Layout

- At least one lane of traffic will be available in each direction
- The traffic arrangement will be determined by LADOT in the interest of everyone's safety
- Evaluating if a turn lane can be accommodated
